PREFACE.

We herewith present to the public our Directory for the City of Port Huron, and hope it will meet with their approval. A thorough canvass has been made, errors carefully guarded against as much as it is possible in a work of this kind, and every effort has been made to furnish the citizens with a useful and reliable work.

The recent census shows the population of Port Huron to be 8,674.

The Business Directory contains a classified list of names of all trades, professions and pursuits, thus exhibiting at a glance the special business of each citizen.

The Miscellaneous Directory furnishes a variety of information, useful to both citizens and strangers.

In conclusion, we beg to thank the business community for their patronage.
