PLATE GLASS FIRE H. H. WRIGHT & CO., 502 Huron Avenue. ACCIDENT AND INSURANCE

INTRODUCTORY.

Here it is! The first volume of the Wolverine Directory Co's St. Clair County Directory. It is presented to the public with every hope that the long and painstaking labor necessary to complete it will be appreciated, and that our patrons and the general public will overlook the few mistakes that must naturally occur in a reference book of this kind. There is probably not another town and county in the country that needs a directory as much as St. Clair County, and yet on our canvass in Port Huron we encountered so-called business men who became angry because we even so far forgot ourselves as to ask them for the information for the directory (saying that a small country town like Port Huron did not need such a thing as a directory), and when asked to subscribe for one of the books their indignation was intense.

To these business (?) men we, the publishers, wish to say that *we know* that your business neighbors do not like to refuse you when you come in to borrow the directory, which you certainly do (as no man in business can get along without often referring to the city directory), that you are becoming a nuisance almost unbearable, and we would suggest, that in case your front door goes wrong, that you "borrow" your neighbor's, suggesting to him that he hang up a blanket until you finish with what he needs every day and which you have no hesitancy in borrowing; That you know everybody in town; that everybody knows you, etc, etc. There is not a doubt, but that your business neighbor is entitled to his own directory is also beyond a doubt, and if you do use the directory please take a tumble to yourself and buy one from the publishers. Of course if you *don't use a directory* this is of no interest to you.

To the business men of Port Huron and the county who have made this publication possible by their patronage we extend our heartfelt thanks, also to the ladies, the wives and daughters of the homes who have given us much of the information herein contained

CAMERON & CO. Fire Brick, Press Brick Port Huron, Mich.

If you want to buy or sell any kind of Real Estate or Stock of Merchandise, write or call on

Edward F. Percival,
Meisel Block,
Port Huron, - Michigan.

we wish to compliment you on the really great intelligence you have shown, not ordinarly encountered in every day life.

When the gallant soldier boys of our city shouldered their guns on the 26th day of April, 1898, and gladly and willingly faced all kinds of dangers for their country's sake, there were six employes of the Riverside Printing Co. among their number. As these gentlemen published the first English paper ever published in

T. W. Butler, F. J. McCutcheon, Jas. Stuart,
Senor Lopez, F. G. Cuykendall, A. B. Radigan,
Geo. Maurer, Dennis Donahue, J. A. Barron.

Cuba we take pleasure in saying that to their undivided efforts this directory is typographically composed. We therefore present them in the accompanying cut as they appeared at Santiago de Cuba while working on the "Co. F Enterprise."

We will publish the next edition of our directory in the year 1901 and hope for a continuance of patronage.

Yours respectfully,
